

[HF] HORIZONTAL DUMBBELL RACK

HF-5461-36, HF-5461-48, HF-5461-60

Maximize any workout area and keep dumbbells off the floor with the HF Horizontal Dumbbell Racks. Engineered for any home or light commercial fitness facility, the HF-5461 Horizontal Dumbbell Racks feature three adjustable angles – 15 degrees, 30 degrees and now flat to accommodate kettlebells in addition to dumbbells. The rack design features a non-skid tier surface, non-metallic foot covers, and an upgraded modern frame with oval tubing. All HF-5461 dumbbell racks come standard with 2 tiers, with the option to purchase a third-tier. (Dumbbell weights are NOT included)
